

## Intervention: Communities Mobilizing for Change on Alcohol (CMCA)

Finding: Recommended by a single governmental entity

### Potential partners to undertake the intervention:

- |   |   |
|---|---|
| <input checked="" type="checkbox"/> Nonprofits or local coalitions        | <input type="checkbox"/> Businesses or labor organizations          |
| <input checked="" type="checkbox"/> Schools or universities               | <input type="checkbox"/> Media                                      |
| <input type="checkbox"/> Health care providers                            | <input checked="" type="checkbox"/> Local public health departments |
| <input type="checkbox"/> State public health departments                  | <input checked="" type="checkbox"/> Policymakers                    |
| <input type="checkbox"/> Hospitals, clinics or managed care organizations | <input type="checkbox"/> Other:                                     |

### Background on the intervention:

Communities Mobilizing for Change on Alcohol (CMCA) is a community-organizing program designed to reduce adolescent (13 to 20 years old) access to alcohol by changing community policies and practices.

### Findings from the systematic reviews:

The Substance Abuse and Mental Health Services Administration (SAMHSA) cites CMCA as a model program. See the link below for additional information.
